

Catch the WAVE!

'Women Against Violence Everywhere'

Team WAVE will be competing in the **2014 BVI Spring Regatta** racing to raise awareness and help make a difference in the fight against domestic violence globally. Our local beneficiary of our efforts is The Family Support Network of the British Virgin Islands - a non-profit organization in The British Virgin Islands that offers shelter and support for victims of domestic violence.

Team WAVE is a crew of talented females - including highly experienced offshore sailors who have competed on the Caribbean circuit for many years. We will be racing aboard 'Freedom', a Beneteau First 47.7.

In 2006 we won our Class and Division in the Centennial Newport-Bermuda Race coming in 12th overall out of 250 boats and being the first women in the 100 year history of the race to do so.

Our goal with Team WAVE is to highlight the need to support mistreated women everywhere. There is a worldwide epidemic of violence against women, whether through domestic abuse, rampant rape or exploitation in war torn and third world countries. The violent behavior in cultures that treat women as second-class citizens must stop. Team WAVE has teamed up with The Family Support Network for this year's BVI Spring Regatta to be held March 31-April 6, 2014.

Ways you can contribute:

- See one of our members to make a contribution at the BVI Spring Regatta Village
- Purchase one of our TEAM WAVE wristbands on sale from Team Wave Members!
- Drop donations (women's clothing, toiletries) at Nanny Cay Marina in our drop box location.

ALL FUNDS COLLECTED GO DIRECTLY TO THE FAMILY SUPPORT NETWORK.

More information can be found on our website at www.team-wave.info.
